Hello,

We are excited to share that the province [announced](#) a new e-bike incentive program. The [BC E-Bike Rebate Program](#) launches on June 1, 2023. The program provides income-tiered rebates (\$350-1,400) for all B.C. residents. There is \$6 million in funding available. Please consider promoting the program to your residents to provide affordable and accessible transportation options. Contact us at ActiveTransportation@gov.bc.ca to request a media kit.

Complementary [safety education](#) is being provided through HUB Cycling. This includes free on-line courses and free/low cost in-person options in many communities across B.C. (with more locations coming soon).

There is also an option for Indigenous and local governments to provide supplemental funding through the Program for rebates reserved for your local residents. Please contact ActiveTransportation@gov.bc.ca if you are interested in learning more.

Thank you for your continued support for active transportation. These new e-bike rebates help more people access the active transportation facilities your communities are building.

Thank you,

Active Transportation Team
