**Re: Recycling Program for Antifreeze Containers and Used Oil Collection at the Armstrong Spallumcheen Diversion and Disposal Facility**

At the Monday, May 1, 2023 Township of Spallumcheen Regular Council Meeting, the following resolution was passed:

***“...THAT the Township of Spallumcheen Council recommend a letter be sent to the Regional District of North Okanagan (RDNO), Ministry of Environment and Climate Change, and Recycle BC to support plastic, such as antifreeze containers, and used oil collection/recycle depot at the Armstrong Spallumcheen landfill/transfer station located at 4399 Powerhouse Road, noting that the program should be at no cost due to the environmental fee already being paid at the time of product purchase;***

***AND THAT the Township of Spallumcheen Council direct staff to carbon-copy the letter to the BC member municipalities and to the Union of British Columbia Municipalities (UBCM) to gain support of Municipal and RDNO landfill/transfer station sites.”***

The Township Council believes that keeping these types of containers and contaminants out of our landfills is essential to maintaining healthy lands and aquifers.

Thank you for your attention to this matter. If you have any questions in this regard, please contact the undersigned.

Respectfully,

Cindy Webb  
Corporate Officer
