## Renew your FCM membership today

Dear Diane Smith,

Now more than ever, Canadian municipalities are on the frontlines of our country's most pressing challenges. Our cities and communities are working hard to support rapid national population growth, tackle the housing crisis, grapple with aging infrastructure, and build resilience in the face of extreme weather events.

As the national voice of local governments, the **Federation of Canadian Municipalities (FCM)** plays a central role in supporting municipalities to address current challenges, seize new opportunities and prepare for the future.

### **Delivering results**

An FCM membership is a valuable investment in your community, one that offers tangible results and [exclusive benefits](#).

Nearly 2,100 municipalities representing 92% of Canadians—including the **District of Mackenzie**—know the level of influence FCM has in Ottawa. Together, we are influencing the national agenda by advocating for local priorities and fostering a strong partnership with the federal government, resulting in more shovel-ready projects, more jobs and more opportunities in cities and communities across Canada.

FCM is here to make sure that British Columbia local governments' unique priorities—ranging from housing and homelessness to infrastructure and climate adaptation—are heard at the federal level. Together, we can make sure BC municipalities of all sizes are strong, resilient and prepared for the challenges of the future.

### ***Shaping our future, together***

We know that our actions today have a profound impact on tomorrow. Our voice grows stronger with each member, amplifying our influence and driving much-needed change. **In this unique moment where FCM is championing a new Municipal Growth Framework**—an approach that will reshape intergovernmental collaboration and usher in a new way to fund local governments—**the strength of our collective voice has never been so important.**

Through our united membership, we are actively ***shaping our future*** for the better—for our cities and communities and for the residents we serve.
