

Dear Mackenzie Area Businesses and Organizations,

We are thrilled to announce the return of the Mackenzie Community Services Fundraiser Golf Tournament this year! You will notice something different this time around, and that is the absence of involvement from MLA Mike Morris. Mike is a huge supporter of the tournament and is sad to not be involved this year, but with 2024 being an election year he could not. So, we are carrying the mantle for 2024!

The only way the tournament can be a success is because of the generous support of the community of Mackenzie, and in particular its business and organizations. We are sending this request for sponsorship well in advance, and knowing who will sponsor and with how much will help us plan the best possible day! You will see on the back of this sheet options we propose, but do not feel restricted, we are open to other ideas.

So mark down June 22<sup>nd</sup>, 2024 on your calendar! And yes, the wonderful Ed Lepp will be catering again, so get excited!

Thanks,

The Staff of Mackenzie Community Services
