Tianna Klein  
Age Well at Home Coordinator  
86 Centennial Drive  
Mackenzie, BC V0J C02

On behalf of the Mackenzie Autumn Lodge Society, we are contacting our community and local businesses to see if you are interested in supporting seniors in our Canada Day Raffle. For this raffle, we are seeking out in-kind donations to fill our gift basket full of local goodies. There's an excellent opportunity to do so by participating in the Mackenzie Autumn Lodge Society Canada Day raffle. By donating to this fundraiser, you can help us raise funds for our seniors' programs, which provide valuable services to help seniors age well at home and provide them with a safe and welcoming space to socialize, eat and engage in activities. As a non-profit organization, we're committed to giving back to our community, and we can provide receipts for any donations you make to our fundraiser. Your generous contribution would be greatly appreciated, and it would make a real difference in our community's seniors' lives. Thank you for your kindness and support!
