The evening reception was held at the North Pacific Cannery Museum.

Conference started this morning with opening ceremonies.  
Mackenzie delegation had a meeting with Northern Health in the afternoon. I spoke on senior concerns in Mackenzie, specifically transportation concerns, housing concerns, and the need for creative ideas on training Health Care Aids.  
I attended a session on NCLGA/Northern Chambers Collaboration on Resolutions. This was a great opportunity to see what Northern Chambers are doing to collaborate with other chambers and also with their local municipal government.
