October 2025

To Whom It May Concern,

The Mackenzie Figure Skating Club is proud to host its annual ice show, *Golden Anniversary: 50 Years*, on March 7 & 8, 2026. This milestone event is our largest fundraiser of the season, and we are honoured to welcome Olympic and World Champion Kurt Browning as our guest skater.

I am writing to kindly request a prize donation or sponsorship in support of this special event. Hosting guest skaters can be costly; however, any prize donation or sponsorship makes a meaningful difference. Funds raised through the ice show help us maintain reasonable registration fees, cover operational costs, provide skater incentives, and support skater and coach development within the Mackenzie Figure Skating Club.

We understand that economic times can be challenging, and we sincerely appreciate your consideration. Your generosity helps keep the children and youth of our community active, engaged, and supported through sport.

If you have any questions or would like further information, please feel free to contact me at 250-255-9698 or by email at [jmdagneau@telus.net](mailto:jmdagneau@telus.net).

Thank you very much for your time and consideration.

Sincerely,

Michaela Dagneau  
Vice President
