SUBJECT: Letter of Support for Mental Health Summit

Dear Mayor and Council,

Thank you for taking the time to consider our request, which is the writing of a letter of support for our grant application. We are asking that the District of Mackenzie Mayor and Council write a letter of support for our application to the McLeod Lake Mackenzie Community Forest Community Benefits program.

We are writing the application to help fund the upcoming Mental Health Summit we are planning for November 2026. We would be using the funding to help pay for external speakers and workshops to come to Mackenzie and support the community during the event.

Thank You,

Jesse Wright

President of Youth Wellness Society of Mackenzie
