# A modern equal society does not buy and sell women and children.

Cathy Peters raises awareness about the issue of human sex trafficking, sexual exploitation and child sexual trafficking which is for the purpose of prostitution. She speaks and presents to politicians, police and the public.

Today's slavery has low costs and huge profits; a trafficker can make hundreds of thousands of dollars *per victim* per year.

The average age of entry into prostitution is 12–14 years of age in Canada, although traffickers are targeting children as young as 8. There has been a dramatic increase in child exploitation along with the production and consumption of child pornography. Unregulated technology has increased the demand for commercially paid sex.

The biggest problem in Canada is that the public is unaware of the issue. Women, youth, children, the marginalized and vulnerable will become potential targets and victims unless we do something to stop it.
